The 2018 IICLE Sponsor Program is a success because of you! Your support and confidence in IICLE is much appreciated. Thanking you being a part of the team should be relayed more often. An item of mention is that Estate Planning Short Course Sponsors are already listed in the app. As you can see, your logo and name are listed in alphabetical order. When clicked, it provides the website and your contact information. The other app offerings will only enhance your exposure on this new system.

Sponsor Reception at the Estate Planning Short Courses

In celebration of the 60th Annual Estate Planning Short Course in 2017, we were able to coordinate and offer receptions at both the Champaign and Chicago locations. This is an important networking opportunity and we are planning these again for this year's gatherings. We need your help to ensure a positive experience is had by all. Receptions will take place in the exhibit areas and will be coined as "**Sponsor Receptions.**" For only \$50.00 your logo will be prominently positioned on a reception sign and included in the digital materials. This is open to all sponsors but only those who contribute to this effort will receive this added exposure. If interested, please let Curt Conrad know and he will follow-up individually.

Formulaw Form Suites

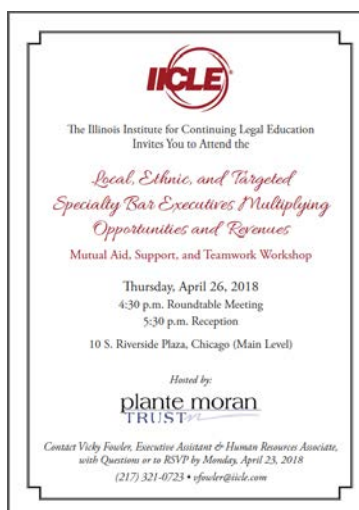

Did you know that our Formulaw automated form solutions program now has 8 suites with multiple forms contained within? Sponsoring a suite is cost effective and your message is targeted to those lawyers specializing in specific practice areas. The suites are as follows:

Construction Dispute Litigation
Construction Joint Venture Agreements
Corporate Formation and Operations
Defending DUI
Representing Elderly Clients
Estate Planning Essentials
Family Law: Divorce
Mortgage Foreclosure

IICLE LETSBEMOR Interactive Roundtable & Reception

This networking gathering is quickly approaching. There have been a couple questions regarding the gathering. This is of no cost and is an opportunity to network with bar associations and other sponsors. We are simply providing a platform to share information and enjoy an evening in May. A quick survey was created to assist in our efforts. Even if you can't attend, your time completing this would be much appreciated. <https://www.surveymonkey.com/r/L7CS8RL> RSVP information is provided in the invitation below.
