

ILLINOIS INSTITUTE *for* CONTINUING LEGAL EDUCATION

January 24, 2018 - 10th Edition

IICLE Sponsor Team Message

Courses are in full swing as we head into the new year. Thank you to the following Business Valuation: Financial & Tax Issues in Divorce Sponsors; Family Law Software, Divorce Marketing Group, Our Family Wizard, Arquilla Wealth Management and the Law Offices of Jeffery Leving, LTD. This course had a participation surge towards the end and reached well over 250 attorneys. Your sponsorship is much appreciated.

The IICLE Sponsor Program has evolved to be more responsive with a focus on sponsor satisfaction. This is a direct result of your input. One new action is that **FLASHPOINTS Sponsors** will receive a monthly activity report with metrics on the number of impressions and clicks for your advertisement. You should see how well ads are performing or if we need to make adjustments to be more effective. More upgrades are on the way so please stay tuned.

Mentioned in an earlier newsletter is the launch of the Crowd Compass App for the 2018 Estate Planning Short Courses. Click the link below to learn more about this exciting upgrade in our event technology.
