Litigation Strategy: Case Planning & Focus Groups

IICLE's Litigation Strategy: Case Planning & Focus Groups will help litigators advocate for their clients more effectively by helping them appreciate the importance of the planning and preparation process. Successful litigators/trial consultants will share tips for enabling all attorneys to present the most effective and persuasive case possible. This program revolves around a legal malpractice case file, and will enhance your understanding of the Illinois Rules of Professional Conduct. The interactive nature of this program, and the opportunity to observe a real focus group's deliberations, will positively enhance your litigation efficacy!
